1. Introduction

The Voluntary Product Accessibility Template (VPAT) provides a detailed evaluation of how <https://equalaccessbankruptcy.com> meets various accessibility standards. This document aims to inform users about the accessibility features of our website to ensure compliance and usability for all individuals.

2. Product Description

EqualAccess Bankruptcy is a platform focused on helping individuals and families overcome overwhelming debt and regain financial stability. It provides guidance for most unsecured debts and helps in restructuring debts into manageable monthly payments.

3. Evaluation Methods Used

Our conformance report is based on a detailed review using manual testing, automated tools, and assistive technologies to evaluate the accessibility of the EqualAccess Bankruptcy website.

4. Accessibility Standards

This VPAT evaluates the <https://equalaccessbankruptcy.com> according to the following standards:

- **Section 508 of the Rehabilitation Act as published in 2017, at www.Section508.gov**
- **Web Content Accessibility Guidelines (WCAG) 2.1, at <https://www.w3.org/TR/WCAG21/>**

5. Compliance Summary

The terms used in the Conformance Level information are defined as follows:

- **Supports:** The functionality of the product has at least one method that meets the criterion without known defects or meets with equivalent facilitation.
- **Supports with exceptions:** Some functionality of the product does not meet the criterion.
- **Not Applicable:** The criterion is not relevant to the product.
- **Not Evaluated:** The product has not been evaluated against the criterion. This can be used only in WCAG 2.1 Level AAA.
